**CHANGE IN OPERATIONS**  
**LOBBY CLOSURE**

**DRIVE THROUGH OR BY APPOINTMENT ONLY**

In effort to protect the health and well-being of our members and employees as well as do our part in reducing the risk of spreading the Coronavirus, we are closing our lobby. We will be conducting operations via the drive through, over the phone, and inside the Credit Union by appointment only.

We currently expect to operate in this capacity through March 31<sup>st</sup> but will continue monitoring the ever-evolving guidelines from the CDC along with local, state & federal authorities as they develop.

**Thank you and stay healthy!**
